The School of Education, Health, and Human Performance (EHHP) supports the vision of being a community of diverse and practical leaders who ensure access to and advocate for learning and wellness opportunities for all. EHHP offers initial teacher certification programs and specialized concentrations in health and human performance at the undergraduate level. The School offers several graduate teacher education programs including Master of Arts in Teaching (M.A.T.) programs and Master of Education (M.Ed.) programs designed for certified teachers.

1,338 undergraduate students
126 graduate students
9 majors

9 graduate degrees
890 students enrolled in PEAC

Majors
- Early Childhood Education
- Elementary Education
- Middle Grades Education
- Special Education
- Secondary Education
- Foreign Languages
- Exercise Science
- Public Health
- Physical Education

The School offers Physical Education Activity Courses (PEAC) to students, which provide a wide variety of ways to stay active and gain credit hours. These courses include, but are not limited to yoga, surfing, martial arts, basketball, volleyball, badminton, aerobics, ice skating, golf, sailing, stand up paddle boarding, table tennis and Tai Chi.

The Office of Professional Development in Education (OPDE) provides professionally oriented graduate courses in collaboration with schools, districts and other agencies that offer professional development experiences for educators.

The School’s teacher education programs are nationally accredited by the National Council for Accreditation of Teacher Education (NCATE).

The N.E. Miles Early Childhood Development Center (ECDC) offers a unique experience for young children and College of Charleston students. As part of EHHP, the nationally accredited program has served as the demonstration program and laboratory school for the College.
